"A Barbera with dark chocolate, berries and citrus. Full body with plenty of fruit and a savoury finish. This delivers an outstanding Barbera experience."

"The 2011 Barbera d'Alba Morassina, Cortese's bigger, richer Barbera, is laced with plum, smoke, tobacco, licorice, cloves and new leather. Voluptuous and textured on the palate, the 2011 is a wine of pure volume. A hint of gaminess is the only thing that detracts from the wine's balance."
