BARBERA D'ALBA 2018

Recensioni e premi - Press and awards

WINE ADVOCATE – end of June 2019- Issue #243- 88 pts “The 2018 Barbera d’Alba (with only 5,000 bottles produced) opens to a super inky color and opaque concentration, offering a hint at the dark treats that are to come. This young red unloads Nutella and espresso with lots of fresh cherry fruit. Then come the cola notes along with earthy tones and dark, savory spice. There is good richness and succulence here too. All those luscious aromas come solely from the grape, as this wine only sees a brief six months in stainless steel.”

JAMES SUCKLING- November 11, 2019 - 90 PTS “A lighter style of barbera with sliced-blueberry and orange-peel character. Light to medium body.”

WINE SPECTATOR - October 15, 2019 Print Edition - 87 pts. “Offers cherry, blackberry and earth flavors, with bright acidity.”

GUIDA VINI D’ITALIA GAMBERO ROSSO 2020 – 2 bicchieri – Spigolo e tratto delicatamente erbaceo per un vino concentrato.

GUIDA VITAE 2020 - 2 viti- La barbera di Langa nella sua interpretazione più immediata: profuma di mirtillo e ciliegia, diffondendo sensazioni suadenti di rosa e di mandorla. Fresca, schietta, facile, gustosa, non cerca sovrastrutture, ma trova una robusta piacevolezza.
